To the Planters of Tennessee and adjoining

tess-isoinet the patronase of all persons having HURR Mill. STUNE* to repair,
Baving had 23 years experience in this country and Europe-with W. U. Bradford of this
city from 185 to 181, since which time I have
been generally engaged in building and repairing mills in this and adjoining States. I
will rebuild, band, redress and put in periect
ord r all burrs for granding corn and when, or
will redress barrs that planters may buil their
own cotton-seed, thereby saving freight on own cotton-seed, thereby saving freight of built and saving fuel. Joints should not b filled with lead as the attrition powders it and prisons the meal or flur. I will guaran tee that with my style of dressing, and will proper speed, a thirty-inch mill will girac thirty bushels of corn in one hour. I also currentle to save one half of the rowse. 311 MAIN ST. 311 MAIN ST.
